If you are looking to update your vehicle, vans or trucks, then consider contacting Sci-Fleet Motors. They are a family- owned and operated business that has been servicing South East QLD for over 40 years.

From its humble beginnings in 1979, Sci-Fleet Motors has grown to be one of the largest organisations within the motor vehicle industry.

Scifleet.com.au have multiple dealerships and brands, including Toyota, Lexus and Hino. They look after all aspects of motoring including Sales, Service, Parts, and Finance.

Tingalpa Wholesale Nursery

Despite its name, Tingalpa Wholesale Nursery (TWN) is located in Chandler, an outer suburb in Brisbane's south-east, on 111 Sunnydene Rd.

A family-owned and run business established in 1983, growing quality plants that last. Led by brothers Stephen and Joel Taylor, they grow everything from ficus to dracaena and aglaonema.

As a result, they consistently produce some of the best stock in Brisbane.

TWN are the indoor plant specialists. A wholesale production nursery providing all your indoor plant requirements.

Garden City Plastics, founded in 1975 in Victoria, Australia, is a leading manufacturer of plastic pots and containers for the horticultural industry.

With over 90 molding machines, they supply products for various sectors, including cut flowers, indoor plants, seedling growers, and more. Committed to sustainability, they promote recycling through initiatives, offering fully recyclable polypropylene pots and containers made from recycled plastic. Learn more at gardencityplastics.com

Graceville Imports, a leading Australian pottery supplier with 30+ years of experience, offers stylish and practical planters for both indoor and outdoor spaces, crafted to suit Australian climates.
