AWARDS 2025

2025 Annual Awards Entry Criteria:
Business Sustainability

Entry Criteria for Business Sustainability

The sustainability initiatives within your company have been crucial to driving continuous improvements, yielding long-term benefits for both the environment and the community.

Total Points: 100

Word Limit: Please ensure your submission does not exceed 1,000 words.

Images: Submit up to fifteen (15) named images (PNG or JPG format, max 2MB per image) showcasing your project.

Image Guidelines: Include images showcasing eco-friendly products, sustainable facilities, green technologies (e.g., solar panels), and initiatives like recycling or community engagement and innovative sustainable practices or products to highlight your business's commitment to sustainability.

Criteria 1: Sustainability Motivation and Objectives

(Maximum Score 20 Points)

What has influenced your current sustainability actions, and what are your future sustainability goals?

Criteria 2: Sustainability Practices

(Maximum Score 20 Points)

Demonstrate how environmentally sustainable practices are integrated into your business operations. Examples include:

- Energy efficiency
- Waste reduction
- Water conservation
- Use of recycled or reused products

Criteria 3: Resource Management

(Maximum Score 25 Points)

Provide evidence of responsible resource management, such as:

- Sustainable sourcing of eco-friendly products
- Implementation of waste-reduction or recycling initiatives

Criteria 4: Innovation in Sustainability

(Maximum Score: 25 Points)

What innovative methods is your company using to integrate sustainability into your operations, products, and services? Examples include:

- Use of sustainable or biodegradable materials
- Water conservation techniques
- Energy-efficient technologies like indoor grow lights
- Locally sourced plants or materials

Criteria 5: Employee and Community Engagement

(Maximum Score: 10 Points)

Explain how your company engages employees and the community in sustainability initiatives. Examples include:

- Sustainability training programs
- Formation of an internal green team
- Community outreach or educational initiatives

Thank you.
Good luck with your entry!
